JAIPURIA CULTURAL FEST  
MAY 1-2, 2026

**PROMPT. PROCESS.  
PICTURE PERFECT.**

**DREAM CANVAS**

**TOPIC**  
AI IMAGE THROUGH  
PROMPTS

Time allotted

"Every prompt is a spark, every AI image a masterpiece."

## Event Description

Art is evolving, and so are the tools that shape it. In this digital era, imagination takes form through technology, where words can create worlds. Digital Canvas invites

students to explore the limitless potential of Artificial Intelligence by generating visuals from creative prompts. This event celebrates the fusion of human creativity with digital innovation, where every idea can be transformed into a masterpiece.

Maximum number of participants	1 from each category
Type of Entry	JPEG/PNG digital file without filters or external editing
Type of participation	Individual

## General Instructions

- Participants will be given one sub-theme based on the main theme.
- They have to generate AI-based digital artwork using a prompt of their own creation.

- Each of the 4 categories will be given their topics at the allotted time on the competition day.
- Once the topics are received, participants are expected to design their prompts and create the AI-generated artwork independently.
- School headships will ensure that the final digital artwork, along with screenshots of the prompt used and at least three process images, are mailed to the Organising Committee.
- Participants will compete from their respective schools on the designated event date, ensuring a fair and transparent process.

## Supported AI Platforms

- Midjourney
- Nano Banana

## Judgement Criteria

- **Interpretation of the Theme** – The artwork must meaningfully represent the given sub-theme, reflecting depth, clarity, and alignment with the concept.
- **Prompt Design & Innovation** – The clarity, creativity, and originality of the written prompt will be a major factor, as it drives the uniqueness of the AI-generated image.

- **Creativity & Originality** – The submission should showcase fresh perspectives, imaginative storytelling, and innovative use of AI tools, avoiding generic or repetitive outputs.
- **Aesthetic Impact** – The final image should be visually compelling, polished, and cohesive, with strong artistic appeal.
- **Overall Presentation** – The submission (image + prompt + process evidence) must demonstrate effort, attention to detail, and professionalism.
