

**SETH M.R. JAIPURIA SCHOOL,  
CLUB ALLOTMENT FORM 2024-25**

Each activity conducted at Seth M.R. Jaipuria Schools has one aim, and that is to inculcate life skills in children and their overall development. The houses and clubs at Seth M.R. Jaipuria Schools have been designed to ensure maximum participation in co-curricular curricula. Holistic education is a fine balance between academic and co-curricular activities. At Jaipuria, houses and clubs have been developed aiming at skill development. The 40-plus suggested list of activities is implemented through various sporting and non-sporting clubs. The skills learned in these clubs are assessed internally in school through various inter-house competitions. The aim is to prepare students for competitions beyond school.
